

FONT10CL

Contact-Less wall-mounted
Drinking Fountain

Installation Instructions

Step 1

Remove the FONT10 from the packaging and check that all parts are included in the box against the packing.

Step 2

Place the GLASSFILLER CL to the basin as shown ①. Screw the lock nut. Please note, when installing the GLASSFILLER CL, basin and lock nut are firmly tight and pointing in the right direction, screw and make sure your fasteners are just tight enough.

Step 3

Install the basin to the wall. Drilling suitable holes in place by using expansion screws to fit the basin.

Step 4

Connect the drain to the basin. Using an Allen key tighten the drain screw to the basin (SEE ②). Assemble the drain as shown ③ tighten the tail pipe, P-trap the drain pipe by hand until you're sure that they fit together, then tighten them with a wrench.

Step 5

Make water supply connections from GLASSFILLER CL to the inlet hose. Turn on the water supply and check for leaks.
